

Peacemakers Fall Quigley Shoot 2020 Results

Six Brave Cowboys came out and shot our "Bucket" targets. It was a cool morning with temps in the 40's at 9AM. We did start on time. On the second relay it started to spit a little rain on us. But in the Cowboy Spirit we all kept shooting. The light rain only lasted about ½ hour so those who had their umbrellas put them up to keep things dry. The single shot Rifle "Rifle" Caliber category was highly contested as always. The top three places had score of 18,17,16. We shot our new category of 50 Yd revolver for the first time, it was fun to watch. Thanks to Comstock Charley and Tomahawk Johnson for setup Friday Night.

This was a great group of Shooters that worked very well together to spot, score and help each other shoot better. Thanks to everyone who participated. **TOMAHAWK & COMSTOCK CHARLEY**
